AI FOR HOBBIES AND FREE TIME

# My favourite AI lifehacks

## How AI makes our free time more creative and fun

Students: **Oralbek Alikhan** & **Kapbasov Beknur** · LAN6001A English Elementary · IITU 2026

> **AI can make free time more creative, personalized and fun — but we always make our own decisions.**

## 1 Our 5 AI lifehacks

### Music
Spotify AI

Ask AI to make a playlist for studying, sport or relaxing.

### Photos
Canva AI

Use an AI photo editor to make your photos brighter and better.

### Travel
ChatGPT

Ask AI to plan a day out in Almaty: places, route and time.

### Games
Google Gemini

Stuck in a game? Ask AI for a hint, then play by yourself.

### Creativity
Bing Image Creator

Write a clear prompt and get a picture for your hobby.

## 2 AI in our free time

### WHAT DO WE DO IN OUR FREE TIME?

1. After classes, we usually listen to music, take photos and play games.
2. At the weekend, we like **exploring** new places in Almaty.

### HOW DOES AI HELP STUDENTS?

3. AI helps students find new hobbies and save time.
4. There are many AI tools for music, photos, games and travel.

### WHICH AI TOOLS DO WE USE?

5. Spotify makes a **personalized** **playlist** for every mood.
6. An AI **photo editor** in Canva makes our photos brighter.
7. ChatGPT is a good **travel planner**: it shows us places to visit.
8. Google Gemini can suggest a **game strategy** when we are stuck.
9. A clear **creative prompt** helps us **generate** pictures in Bing Image Creator.

### WHAT ARE THE ADVANTAGES OF AI?

10. AI **recommendations** are more personal than general suggestions.
11. A **voice assistant** like Siri plays music and answers questions very fast.

### WHICH AI APPS ARE THE MOST USEFUL FOR STUDENTS?

12. For students, ChatGPT and Canva AI are the most useful apps.
13. We enjoy using AI, but we always think for ourselves.
14. For us, AI is a useful helper that makes free time more fun.
